4. Planning Communications/Other Matters.

WA/2019/0269: signage at Weyburn. This application does not fall within Elstead Parish Council's remit nevertheless councillors did discuss this as it falls within the neighbourhood plan area. Elstead Parish Council did not object to this application as it is a temporary measure. EPC has not commented on this application formally.

Elsmore/Honey Pot Antiques renovation. Elsmore have registered the retail space in the development as their own office. However this does not adhere to the planning consent given to the application. Cllr D. Else has contacted WBC enforcement team who are investigating.

Councillors agreed that the Clerk should contact WBC with regards the labelling of planning documents. Sometimes when documents are downloaded from the planning website they aren't labelled so it is not clear what the document is. Councillors would also like to have existing and proposed views shown side by side in order to better see the proposed changes.

No other matters were raised.
